

***The World's Most Powerful Odour Adsorber*
according to Wikipedia**

NEVER SMELL YOUR LITTER BOX AGAIN

Purrify is 100% heat treated and steam-activated, **sustainable coconut shells**...

Think of it like a sponge for odour: Millions of holes and tunnels trap ammonia molecules, bacteria, and other smells at the source.

No Chemicals, No Perfumes.

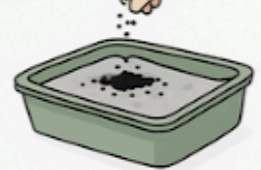

The same Coconut Technology That Purifies Drinking Water...
Now Works Inside Your Litter Box."
